RECOMMENDATION BY COLLEGE

College Advisory Committee Vote:

# Favorable	# Opposed	# Abstained

To help ensure rigorous and thorough reviews, advisory committees, established in advance and composed of senior faculty, will be employed by the Provost and by the deans of departmentalized colleges when considering recommendations for (1) promotion and/or tenure or (2) tenure with an initial appointment.

a. The Graduate Council will annually appoint, subject to the Provost's approval, the Provost's Advisory Committee from its membership.

b. In each departmentalized college, an advisory committee or committees will be established as determined by the dean unless the college rules provide otherwise.

While deans' advisory committee recommendations will not become part of appointment or review files, the dean will incorporate the vote and comments by the advisory committee in the dean's recommendation. Each dean (or line officer) is solely responsible for writing evaluations and making the recommendations at the college level, using criteria consistent with the criteria for evaluating faculty job performance enumerated in this policy.
